Lee Shewchenko | Mic Black

PREVIOUS YEARS

Highlighted entry

The Coding Collective FutureProof idea
Helping workforce planning on a regional context aligned to high growth industries. The idea will help new entrants to the market understand where high growth jobs are based geographically by industry and inform long term labour force participation and re-skilling opportunities.

Spirit of GovHack winners

2015 Jason Discount | 2016 Mic Black | 2017 Matthew Harris

Sunshine Coast Venues

2015 Atmail | 2016 SparkBureau | 2017 SparkBureau
